

Shutterstock Surpasses 500 Million Images Licensed

New York, February 4, 2015 – Shutterstock, Inc. (NYSE: SSTK), a leading global provider of commercial and editorial imagery and music, has licensed more than 500 million royalty free images, vectors and illustrations, including 100 million over the last 10 months.

The increased pace of commercial images being downloaded and licensed showcases the vibrancy of Shutterstock's marketplace. Every second four images are sold enabling businesses, marketing agencies and media organizations to communicate visually on any platform anywhere in the world.

"The best marketplaces are built on simplicity and that's what we work toward everyday," said Jon Oringer, founder and CEO of Shutterstock.

With more than 40,000 images added daily to the collection, Shutterstock is built to give all businesses vast choices and options at scale. To mark this milestone, Shutterstock has [curated a collection of images](#) of extraordinary size.
