

Shutterstock Provides Curated Collection for Amazon's Customized Prints

Newly launched Posters & Prints program offers easy access to thousands of high-quality licensed images

NEW YORK, NY March 9, 2017— [Shutterstock, Inc.](#) (NYSE: [SSTK](#)), a leading global provider of imagery and music, today announced the availability of a curated collection of images within Amazon's newly launched Posters & Prints program. A dedicated Shutterstock storefront on Amazon will give customers access to thousands of images that they can select to have printed and delivered - all without leaving Amazon.

"We are thrilled to be part of Amazon's Posters & Prints program because it exposes our stunning photography and illustrations to a new audience looking to beautify their homes or workspaces," said Janet Giesen, General Manager of Enterprise at Shutterstock. "Working directly with Amazon is the latest collaboration enabling us to extend the reach and accessibility of our collection, putting images directly where customers want them most."

The Posters & Prints program allows for the discovery and purchase of high-quality images as wall art, with automatic printing and fulfillment through Amazon. Customers can choose from a curated set of Shutterstock images, hand-selected by Shutterstock's in-house curation team, representing themes including wildlife, travel, maps, landscapes, images for kids, among others.
